It's that easy, but act fast, the fund is only available  
to the first 50 trees planted. (Limit 2 per address)

For more information on trees suited to  
South Central Kansas, visit the  
Sedgwick County Extension Office at

## Entry Island Zero-Scaping

We'll be zero-scaping the entry islands with boulders  
and driftwood this spring.

Therefore, we're giving away the two Sargent Tina  
crabapple trees currently planted  
in the entry islands.

If you're interested in obtaining either of these  
trees, please contact us.

## Prairie Woods HOA Garage Sales

## Neighborhood Litter Clean Up

Saturday, May 7 @ 3:00 pm

Maize & Haskell Rd.

The Prairie Woods HOA is sponsoring a neighborhood  
litter pickup. We'll provide trash bags and gloves, so  
let's pitch in and clean up the litter in the ditches  
along Maize Road and throughout the neighborhood.

(Reminder: Per Section 6.07 of our covenants, trash  
and trash containers should be kept out of site from  
the street and adjacent property.)
